

CERTIFICATE #6338 - 3/29/2011

THE BONNEVILLE ENVIRONMENTAL FOUNDATION HONORS

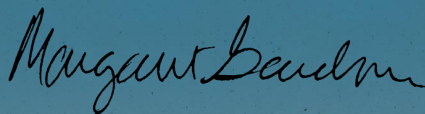

Grand Cru Wine Tours

for reducing greenhouse gas emissions by purchasing BEF Renewable Energy Certificates. Together we have supported over 2.3 million megawatt-hours of clean, renewable energy.

All Bonneville Environmental Foundation Renewable Energy Certificates are from 100% new, renewable resources and are Green-e® Energy certified. For more information regarding BEF Renewable Energy Certificate supply sources, visit: www.b-e-f.org.
